## **PROFILE OF EUNICE & JOHN H** **SHORT TERM FOSTER CARERS**

Eunice and John are an Afro-Caribbean couple, with 3 birth children aged 17, 13 and 11. The family live in a large 5 bedroom property situated in a thriving multicultural area of North London, with a wide range of amenities such as schools, GPs, hospitals and a variety of leisure facilities. They have a good support network.

Eunice is a housewife and full time carer while John works full time as duty site manager.

Eunice and John are practising Roman Catholic but they have experience in caring for children from different ethnicity and religious background.

They present as a warm and engaging couple who are deeply interested in the welfare of children and proactive in supporting them in extra curricular activities.

Both carers drive and have their own car.

This family is not suitable for the placement of children with mobility disability mainly because of the layout of the house (2 flights of stairs).

### Experiences and strengths:

- Many years of experience in working with looked after children
- Good support network
- Experience in working with a range of individuals from varying racial and cultural background
- Child centred approach and family orientated
- Involved with special projects assisting children of primary school age
