PROFILE OF SHARON & MOHAMMED L **SHORT TERM FOSTER CARERS**

Sharon is of Black African Caribbean heritage and Mohammed is of Moroccan heritage. They have 4 birth children - 3 sons aged 20, 16 and 12 and a daughter aged 7. The oldest son lives independently. The family resides in a 5 bedroom house near Enfield, North London. Both Mohammed and Sharon drive and the family run 2 cars. The family are Muslim and purchase meat from a Halal butcher but do not currently attend organised religious activities.

What they can offer

- Child centred approach and family orientated. Warm, friendly and empathetic.
- Experience in working with looked after children. They already have one foster child aged 9 in long term placement until she reaches the age of 18.
- Will encourage a child's interest and participation in their cultural and religious heritage, whether they share this or not.
- Bolstering self-esteem and encouraging the ability to make choices are cornerstones of their approach to helping children grow and develop as people.
- Will get involved with schools and other agencies to ensure any child receives the help and opportunities they need.
- Able to facilitate and promote high levels of contact.
